The First Edition  
of  
The Street Academy Yearbook*

*Dedicated to  
The People Who Have Made  
Our School Possible*

*Street Academy of Albany  
55 Columbia Street  
Albany, New York*

THE STREET ACADEMY IS AN EXPERIMENTAL SCHOOL TARGETING ON THE DROPOUT OR POTENTIAL DROPOUT POPULATION. WITH ITS INNOVATIVE CURRICULUM AND NON-GRADED PROGRAM, THE TEACHERS ATTEMPT TO TAKE STUDENTS WHO PREVIOUSLY COULDN'T ACCEPT THE TRADITIONAL EDUCATIONAL SYSTEM AND WERE NON-MOTIVATED, AND NON-ACHIEVING AND "TURN THEM ON." THE PROGRAM IS BASED UPON THE RESOURCES OF THE COMMUNITY AND THE NEEDS OF THE INDIVIDUALS THEMSELVES.

THE PHILOSOPHY OF THE STREET ACADEMY IS TO SEND THESE STUDENTS OUT INTO THE COMMUNITY TO LEARN WHAT IS MOST INTERESTING TO THEM USING THE UNIVERSITIES, COLLEGES, BUSINESSES, AND SOCIAL AGENCIES OF THE CITY OF ALBANY.

THE STREET ACADEMY WITH ITS HEADQUARTERS AT 88 COLUMBIA STREET AND 4 OUTPOST CLASSROOMS AND AFFILIATING AGENCIES OFFERS APPROXIMATELY 90 COURSES TO A POPULATION OF 65 STUDENTS WITH A STRONG WAITING LIST OF STUDENTS DESIRING ADMITTANCE. AT PRESENT, THE FOUR MAIN AREAS OF THE CURRICULUM ARE PERCEPTUAL DEVELOPMENT, HUMAN DEVELOPMENT, CREATIVITY LABORATORY, AND SKILLS LABORATORY.

When the school was first opened in fall 1970, it was housed in St. John's rectory (shown above) located on Franklin Street in Albany, N. Y.

After enrollment began to expand the school was moved mid-way during the year to the Teen Center also in the Albany south end area.

## *A School Is Born and Begins to Grow*

When the Street Academy opened in the Fall of 1971 to begin its second year of operation with an expanded staff and a large waiting list of students wishing to gain entrance, it had a building all its own which staff and students worked to paint and renovate. The building also houses the Urban League and is a basement facility which has been supplemented by other rooms in close proximity to this headquarters at 55 Columbia Street.

The picture above shows Paul Chapman coming from the northend of Albany, where many of our students come from.

This picture shows Ken Lockridge waiting for a bus to take him from the southend of Albany to school, the same route taken by many of our students.

THERE HAVE BEEN MANY CHANGES IN OUR STUDENT COUNCIL SINCE WE FIRST WENT INTO OPERATION. THIS YEAR HAS BEEN A WHOLE LOT DIFFERENT FROM LAST YEAR. THE COUNCIL MADE UP RULES FOR THE SCHOOL AND WAS RESPONSIBLE FOR ENFORCING THEM. MANY OF THE STUDENT COUNCIL MEMBERS WERE ACTIVE IN WORKING ON THE YEARBOOK BOTH IN PRODUCTION AND IN FUND RAISING ACTIVITIES. WE STARTED A CANDY DRIVE TO RAISE MONEY AND WERE HIGHLY SUCCESSFUL. UNDER THE DIRECTION OF OUR ADVISOR, ROY POMPEY, THIS YEAR'S STUDENT COUNCIL HAS BEEN THE BEST EVER.

## A Statement by the Editor

Viewpoint is the product of a great deal of hard work on the part of the staff. The yearbook got off to a very slow start, in fact, it was not until January that we finally got moving. With time already short, we had our first meeting with our publisher's representative Mr. Robert Gray. His able and infinitely patient counselling really made the difference between the success and failure of our venture. We came in just under the wire and as you can see, we met our deadline.

We have attempted to tell the story of our school in words and pictures. It is an unusual story since our school is not ordinary itself. The creativity, imagination, and hard work of the yearbook staff has made the telling of this story possible. For this, I extend my personal thanks to the staff, our advisor, and to everyone involved in fund raising.

I hope this first edition of Viewpoint will meet the expectations of all who see it. I also hope that it continues to grow, with the school, through the years.
